## **Terms of Reference**

**Encompassing King's Lynn Town Deal  
and the Plan for Neighbourhoods fund**

**Version 9.0**

**10<sup>th</sup> April 2025**

# 1. Background

King's Lynn achieved a £25m Town Deal from the Towns Fund in 2020, which led to a programme of interventions to the value of c.£40m. A successful and well-established Town Board has been in place since that time, delivering an economic growth strategy for the town.

In early spring 2025 the new Labour Government launched Plan for Neighbourhoods, a £1.5 billion initiative aimed at revitalising 75 selected communities over the next decade, which replaces the previous programme launched by the conservative government (Long Term Plan for Towns). The Plan for Neighbourhoods (**PfN**) programme provides identified places with up to £20m to spend from 2026 and King's Lynn received an allocation under this programme, subject to the completion of a 10-year Regeneration Plan and a 4-year Investment Plan.

Central to the programme's implementation are Neighbourhood Boards, consisting of residents, business leaders, and community leaders. The prospectus is clear that it does not expect places to undo what is already in place in towns that have a Town Deal. To meet the Government's requirement for Plan for Neighbourhoods (PfN), the established Town Board agreed to adapt its name and Terms of Reference, and become the King's Lynn Neighbourhood Board, with effect from 28th March 2025.

The King's Lynn Neighbourhood Board (**KLNB**) focus under the two funds is as follows.

King's Lynn Town Deal:

- urban regeneration
- improved transport
- better broadband connectivity
- skills and culture.

Plan for Neighbourhoods:

- Regeneration, High Streets and Heritage
- Housing
- Work, Productivity and skills
- Cohesion
- Health and Wellbeing
- Transport
- Safety & Security
- Education and opportunity

Alongside the list of themes is a [List of Powers](#) that places can utilise to support implementation.

The King's Lynn Neighbourhood Board (**KLNB**) has set out a vision for the town's economic growth, coordination of resources and engagement with a variety of stakeholders. The KLNB produced an evidence-based Town Investment Plan (**TIP**) in 2021 which secured the £25m Town Deal for King's Lynn; this will be supplemented during 2025 with an evidence based long-term Regeneration Plan and a 4-year Investment Plan. The KLNB is working with central government and strategic partners to deliver against the key local priorities identified in the TIP and this will continue with the additional PfN funding. The KLNB provide the strategic framework to secure further future investment opportunities.

The Terms of Reference set out the governance of the Board, Board Members, and the relationship with the Accountable Body, Borough Council of King's Lynn & West Norfolk (**BCKLWN**) and provide a basis for how the decisions of the Board will be made including the role of Board Members.

BCKLWN Cabinet, Regeneration & Development Panel, and other Panels and Committees (as deemed appropriate) will receive reports on the progress of activities in line with the Council's Constitution.

The role of the **Chair** is to lead the KLNB in shaping the vision for the town as well as defining the strategy and steps that need to be taken to achieve that vision. The key responsibilities of the post are to:

- Provide strategic and dynamic leadership for the Board
- Lead the Board in implementing the Town Investment Plan and future PfN Plans

- Run meetings effectively and fairly ensuring the Board adheres at all times to high standards of ethics and governance.
- Exert a casting vote in Board Decisions if circumstances so require
- Ensure the Upholding of the Seven Principles of Public Life (the Nolan Principles)
- Ensure compliance with the Heads of Terms Agreement with government
- Sign and agree compliance and assurance returns as required.

The role of the **Board Members** is to support the Chair in shaping the vision of the town and ensuring the correct steps are taken to make that vision a reality. The responsibility of Board Members includes:

- Attending KLNB meetings and actively participating in the work of the Board
- Reflecting the agreed view of the Board in discussions with partners, stakeholders and other external third parties

The **Project Champions** will be an advocate for the project concerned, with slightly more detailed focus and understanding of the project than other KLNB members. The Champion will play a role in meeting the collective responsibilities of the KLNB by

- Having professional or personal enthusiasm in the project or project area
- Being motivated to see the 'vision' of the project or theme realised, whilst not necessarily needing knowledge or skill set relating the specific project

Project Champions do not have decision making responsibilities. Strategic decisions will be determined collectively by the KLNB. Champions are in a good position to recommend and/or support such decisions around any project or theme through having some additional insights into their subject, project or theme.

A summary, outlining the overall governance structure for the KLNB and its relationship with the Accountable Body, strategic delivery partners, project boards and sub-groups is shown at Appendix 3.

## 7. Conflicts of Interest

Any conflicts of interest should be declared to the Accountable Body's Monitoring Officer before officially joining the Board. BCKLWN will maintain a register of Board Member interests which will be published on the Vision King's Lynn's website.

Board Members must keep the entries in their Register of Interests Form up to date by notifying BCKLWN's Monitoring Officer of any changes within 28 days of the change occurring.

The following provisions shall apply to all Board Members should they be faced with conflicts of interest.

- Should a Board Member be faced with a pecuniary conflict of interest the Board Member shall immediately declare the nature of the conflict/potential conflict and may be asked to must withdraw from any business where the conflict would be relevant. That Board Member will not be:
  - Entitled to remain present at any meeting or included in any email correspondence during discussions of the matter in which the conflict of interest is engaged
  - Counted in the quorum in relation to the matter.
  - Entitled to vote on the matter.
- Whenever a Board Member has a conflict interest in a matter other than a pecuniary interest to be discussed at a meeting the person may not be, or during other Board business, the Board Member shall immediately declare the nature of the conflict/potential conflict. If the Board Member considers themselves conflicted, they should leave the meeting or remove themselves from the Board's business. If they do not consider themselves conflicted but the 'reasonable person' might, the Board may authorise the person Board Member to remain in the meeting however the Board Member shall not be entitled to vote on the matter under consideration.

For the avoidance of doubt, the above provisions do not prevent a Board Member declaring an interest to be noted for the record where they consider no conflict of interest arises. In such circumstances, no further action is required.

## 8. Board Member Conduct

All members of the KLNBN shall observe the “Seven Principles of Public Life” (as detailed in the KLNBN Code of Conduct) and will be bound by their own authority’s/organisations code of conduct in their work on the KLNBN. This includes each Board Member signing up to abide by the Nolan Principles of public life:

1. **Selflessness** Board Members should act solely in terms of the public interest.
2. **Integrity** Board Members must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.
3. **Objectivity** Board Members must act and take decisions impartially, fairly and on merit, using the best evidence and without any form of discrimination or bias.
4. **Accountability** Board Members are accountable to the best interests of BCKLWN and the principle objectives of the Board.
5. **Openness** The Board must act and take decisions in an open and transparent manner.
6. **Honesty** Board Members should act with honesty, objectivity and integrity.
7. **Leadership** Board Members should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Members of the Board shall abide by the Code of Conduct. Members of the Board are required to keep their Register of Interests up to date and in any event review their Register of Interests on an annual basis.

The Board shall give due consideration to all laws and regulations as appropriate.

## 9. Quorum and Decision Making

The general rule is that decisions are taken at meetings of the Board. Any decision of the Board must be a majority decision.

A quorum shall be eight Board Members present in person (or present remotely), including 1 Board Member from the Accountable Body, and at least three from the business or community sector.

Each member of the Board shall have one vote which may be cast on matters considered at the meeting (or virtually).

The Board shall appoint from its Members a Chair who will serve for a period of 24 months before re-election and Vice Chair who will usually serve for a period of 24 months before re-election, excepting the period from March 2025 when the Board has determined that to aid succession planning and ensure there is no period without a Chair and/or Vice Chair, the initial period of the appointee to the Vice-Chair position shall be 30 months. To be clear, for the current incumbents, the Chair’s period of appointment is from April 2025 – March 2027. The

Vice-Chair's period of appointment is from April 2025 – September 2027. Following this one-off change, the usual periods of 24 months will apply.

The Chair and Vice-Chair must not be either an elected Borough Councillor or the MP (each of which is a **Non-Chairing Member**). In the absence of the Chair, the Vice Chair will assume the responsibilities of the Chair. In the event no Chair or Vice-Chair is present, a Chair for the meeting will be appointed from the representatives of the Board present, save that the Chair shall not be a Non-Chairing Member, and shall if possible be a business or community representative.

The member discharging the function of Chair in each meeting will have the casting vote.

The Board shall delegate to the Chair the authority to make urgent decisions, where a Board cannot be convened in a timely manner to consider a matter. Unless it is impossible to do so, the Chair shall consult in advance with Board members by way of email. The decision shall be published as soon as practically possible once taken.

The Council's Chief Executive and/or Senior Officers will consult the Chair from time to time on progress of the work of the KLNB.

The Chair may convene an informal meeting of all or some of the Board Members to inform progress of the work of the KLNB.

The Chair may meet third parties and attend events on any matter pertaining to the Town Deal or Plan for Neighbourhoods programmes.

Informal meetings and engagement with third parties will be reported back to the KLNB.

## **10. The Board's Relationship with the Borough Council of King's Lynn & West Norfolk**

The KLNB is not an incorporated body and BCKLWN will remain the Accountable Body for the Towns Fund, Plan for Neighbourhoods fund, and related Capacity Funding that has been received and any future funding that may be received by way of further Capacity Funding, grants or contribution to feasibility studies that the Board may wish to commission.

The KLNB may make recommendations to the Council's Cabinet from time to time during the development and implementation of the projects delivering interventions relating to the TIP and/or future PfN Plans.

## **11. Meetings**

The Board will meet monthly (but in any event at least 10 times per year). The timings of these meetings will be agreed through the Board members. The Board may meet at other times during the year as agreed between the members of the Board and may approve recommendations via written procedure.

Board meetings will not be open to the public due to the commercial and financial nature of the meetings.

Meetings may be taken in person or virtually where required.

Informal Board Meetings may take place from time to time. Other persons and external advisers may be invited to attend all or part of any meeting as and when appropriate as observers, subject to confidentiality obligations. These persons shall be entitled to speak at the meeting with the prior permission of the Chair but shall not be entitled to vote.

With the prior agreement of the Chair, any Board Member may participate in a meeting by means of a conference telephone or similar communications equipment whereby all persons participating in the meeting can communicate with each other and participation in a meeting in this manner shall be deemed to constitute presence in person at such meeting and shall be entitled to vote and be counted in a quorum accordingly.

## **12. Communication and Reporting arrangements**

In line with the principles of public life, it is important that there is transparency around the operation of the Board.

Meetings of the Board shall be called by the Secretariat at the request of the Chair of the Board. The agenda and papers for meetings shall be approved by the Chair.

Wherever possible, unless otherwise agreed, notice of each meeting confirming the venue, time and date together with an agenda of the matters to be discussed at the meeting shall be forwarded to each member and any other person required to attend no later than five clear working days before the date of the meeting. Any supporting reports and/or papers shall be sent to each member of the Board and other attendees (as appropriate) at the same time.

Agendas and papers for each meeting shall also be published on the BCKLWN and Vision KL website in advance of the meeting, within 5 clear working days, unless they are 'exempt' in accordance with the explanation below.

The default position is that all papers are open to the public. However, papers which contain 'exempt' information shall be marked as such and shall not be published publicly until the reason for the exemption has lapsed. Exempt information is classed as follows:

1. Information relating to any individual.
2. Information which is likely to reveal the identity of an individual.
3. Information relating to the financial or business affairs of any person (including the Authority holding that information).
4. Information relating to any consultations or negotiations, or contemplated consultation or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.

6. Information which reveals that the authority proposes: a. To give under any enactment a notice under or by virtue of which requirements are imposed on a person, or b. To make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation, or prosecuting of crime.  
AND that in all the circumstances of the case, the Board considers at the meeting that the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

Board Members, and any non-Members permitted to attend, are required to keep exempt papers confidential.

Reviews shall be undertaken quarterly for papers which can be published due to any exemption applied at the time, lapsing.

The proceedings and resolutions of meetings of the Board, including the names of those present and in attendance, shall be minuted by the Secretariat of the Board.

Draft minutes of each meeting will be circulated promptly to all Members of the Board. Minutes of meetings of the Board shall be approved in draft form by the Chair and disseminated to the Board. Minutes shall remain in draft until approved by the Board, at which point they will be published onto the BCKLWN and Vision KL website.

KLNB members should refer to the Communication Protocol.

## 13. Community & Stakeholder Engagement

The King's Lynn Neighbourhood Board will engage with the community and stakeholders in line with the King's Lynn Town Deal Communication & Engagement Plan; this will be developed in due course to encompass the Plan for Neighbourhoods programme.

Our guiding principles will underpin how we communicate and engage to ensure that the process of developing and delivering the interventions identified to help implement the Town Investment Plan is truly collaborative and overcomes barriers to involvement. We will:

- **Make it safe**  
We want people to feel 'safe' to engage with us and to feel confident to have a voice by the type of activities, language, content, and capacity building we provide.
- **Make it easy**  
We need to make it as easy as possible for people to engage by using varied channels, 'piggy backing' on existing opportunities and connections, and taking communications and engagement opportunities to people.
- **Make it accessible**  
We want to remove barriers to engaging and will do this by being clear in our communications, and by identifying and empowering specific participants who may not easily engage.

The KLNB will be committed to working with all local stakeholders in a consistent, collaborative, inclusive and open manner to develop and implement the Town Investment Plan and the PfN Plans as agreed, for King's Lynn. This will be achieved under the **Vision King's Lynn** brand,

ensuring a joined-up approach with other existing and ongoing town centre regeneration / funding activities. This brand was established in 2019 and allows the Town Deal and any future PfN interventions to benefit from its existing brand equity, channels and connections. The KLNb aims to keep a wide range of stakeholders informed using a variety of methods and tools.

## **14. Respecting Confidentiality**

On occasions the Board may wish to discuss matters where one or more members wish to retain confidentiality. This may include instances where the Board is to issue a press release or arrange an event. In such circumstances, and where specifically requested by one or more members of the Board, all Board members are expected to retain confidentiality in the context of the matters being considered.

Matters may require more stringent levels of confidentiality due to commercial sensitivity, allowing for ideas to be developed without being negatively influenced before external engagement and the Board may consider the requirement of using non-disclosure agreements in relation to particular discussions.

## **15. Review & Dissolution**

The Board will be reviewed from time to time in line with guidance received from MHCLG relating to the Towns Fund and the Plan for Neighbourhoods fund.

Dissolution of the Board will be considered and agreed by the Chair, in consultation with Board members, MHCLG and the Chief Executive of BCKLWN.

## **16. Ancillary Matters**

### **16.1 Freedom of Information**

The Board and its activities will be subject to Freedom of Information requests, in addition to the Data Protection Act 2018 and the Environmental Information Regulations (various). Requests can be made via the BCKLWN website and support will be provided by BCKLWN to manage and respond to such requests. To ensure the highest standards when collecting and using personal information the General Data Protection Regulation (GDPR) policy and procedure of BCKLWN as the Accountable Body will be applied in all cases.

It is likely that members of the public may have direct questions that relate to how the Board functions and the decisions it makes. These in the first instance will be directed to the BCKLWN Chief Executive to manage, and where appropriate, the Chief Executive will engage with the Chair and/or the Board.

## 16.2 Sub-groups

In developing and implementing the Town Investment Plan in 2021, thematic sub-group(s) were established, engaging people and organisations outside of the (then) Town Deal Board to support the development and delivery of the Town Investment Plan and associated interventions. The KLNB will continue these groups, which are:

- Re-purposing & Public Realm Working Group
- Skills Group

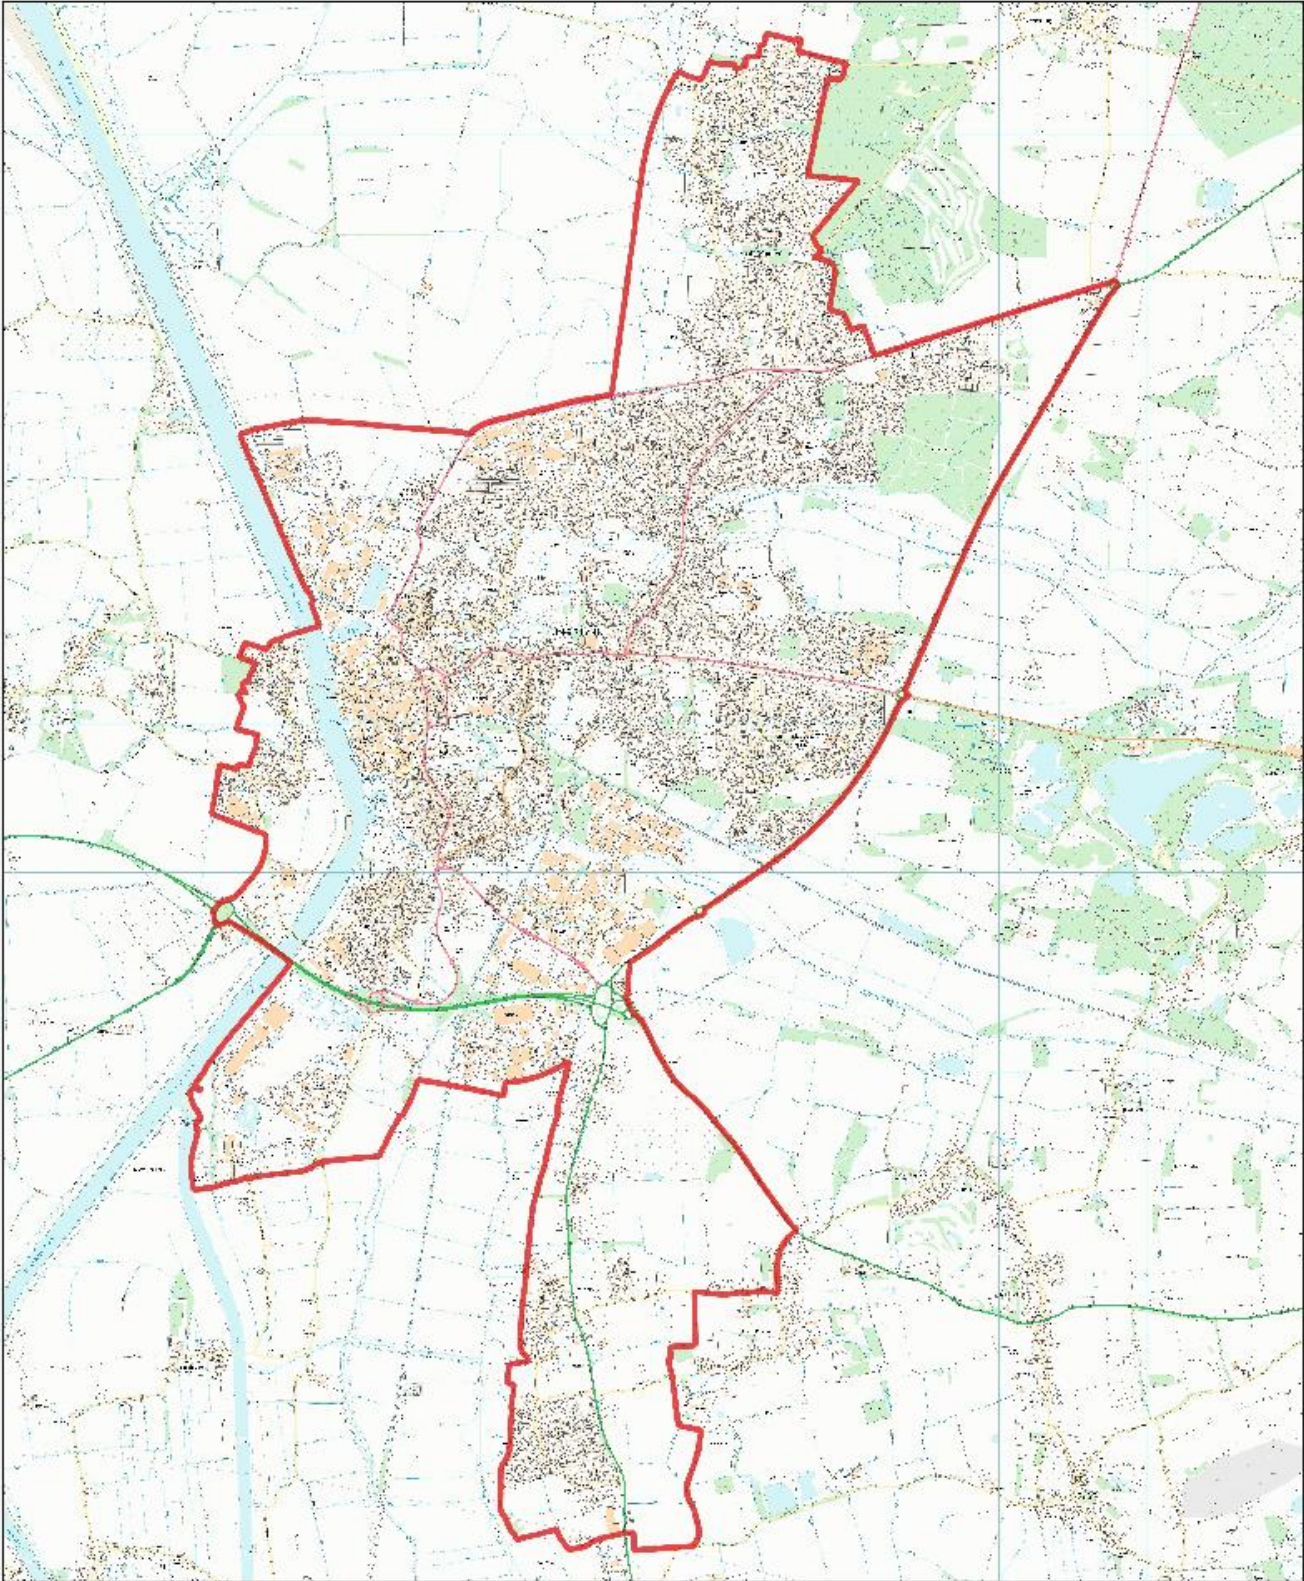

Sub-groups have been approved by the Board, which also nominates the Chairs of these groups. Both groups have adopted Terms of Reference, published on the Vision King's Lynn website. Members of the sub-groups will adhere to these Terms of Reference and the associated Code of Conduct. These groups allow for wider engagement outside of the KLNB in implementing the Town Investment Plan and the future PfN Plans. The sub-groups will not require voting mechanisms and are advisory to the Board on specific thematic matters.

Information relating to the sub-groups is shown at Appendix 3.
