Mission	Government Outputs	Indicators	MUCH	ACC	Guildhall	R2R	Riverfront	
Kickstart Economic Growth	Cleared and rehabilitated sites for business use	Amount of rehabilitated land.		✓				
	New/improved commercial, industrial, and office spaces	Amount of new and/or improved hospitality space	✓		✓	✓	✓	RF- 3000m2
	As above	Amount of new and/or improved industrial space						
	As above	Amount of new and/or improved office space	✓		✓		✓	
	As above	Amount of new and/or improved retail space			✓	✓		
	New homes, including affordable housing, and improvements to the public realm	Amount of new and/or improved public realm						
	As above	Number of new residential units						
	Digital infrastructure upgrades (broadband, 5G) for commercial and residential areas	Number of additional commercial units with broadband access of at least 1 Gbps						
	As above	Number of new public Wi-Fi hotspots installed	✓	✓			✓	RF- 2
	As above	Number of additional residential units with broadband access of at least 1 Gbps						
	New/improved public transport routes, cycleways, and pedestrian paths to boost connectivity	Number of new and/or improved public transport routes		✓				
	As above	Total length of new and/or improved pedestrian paths		✓				
	As above	Total length of new and/or improved cycle routes		✓				
	New jobs created and existing jobs safeguarded as a result of the interventions	Number of full-time equivalent (FTE) permanent jobs created through the projects		✓	✓	✓		
	As above	Number of full-time equivalent (FTE) permanent jobs safeguarded through the projects			✓		✓	RF- 12.1
	Temporary jobs created as a result of the interventions	Number of temporary full-time equivalent (FTE) jobs supported through the projects	✓	✓	✓		✓	RF-154
Make Britain a Clean Energy Superpower	New electric vehicle (EV) charging points and renewable energy infrastructure	Number of alternative fuel charging / re-fuelling points		✓				
	Green retrofits to residential, public and commercial buildings	Number of residential units with green retrofits completed						
	As above	Number of non-domestic buildings with green retrofits completed	✓		✓			
	Expansion of sustainable transport options (cycleways, pedestrian paths, green transport links).			✓				
	New jobs created and existing jobs safeguarded as a result of the interventions			✓				
	Temporary jobs created as a result of the interventions			✓				
Take Back Our Streets	Improved public realm	Amount of green or blue space enhanced or created			✓			
	New or enhanced cultural, community, and sports spaces	Number of heritage buildings renovated/restored	✓		✓		✓	RF- 2
	As above	Number of new and/or improved community/culture centres	✓		✓		✓	RF-1
	As above	Amount of new and/or improved community/culture space.	✓		✓		✓	RF- 1
	As above	Number of new and/or improved sporting/recreational facilities					✓	RF- 1
	As above	Amount of new and/or improved sporting/recreational space						
	Safer, better connected public transport routes, cycleways and pedestrian paths to improve mobility							
	New jobs created and existing jobs safeguarded as a result of the interventions							
	Temporary jobs created as a result of the interventions			✓	✓			
Break Down Barriers to Opportunity	New or improved educational and childcare facilities	Amount of capacity of new and/or improved training, education and childcare facilities	✓		✓			
	As above	Number of learners/trainees/students enrolled at new and/or improved education and training facilities						
	Expanded transport connections to education, training and employment centres		✓					
	Development of affordable housing close to key employment and education centres							
	New jobs created and existing jobs safeguarded as a result of the interventions		✓					
	Temporary jobs created as a result of the interventions		✓	✓	✓		✓	RF- 12.1
Previous Towns Fund Indicators not on new government list	Number of derelict buildings refurbished		✓		✓		✓	RF- 1
	Number of public amenities / facilities created		✓				✓	RF- 1
	Amount of floor space repurposed (commercial) – spaces available for commercial hire		✓					
	# of transport nodes with new multimodal connection points		✓					
	£ spent directly on project delivery (either local or implementation partners			✓	✓			
	£ co-funding spent on project delivery (private and public			✓	✓			
	Total length of new cycle ways			✓				
	Total length of pedestrian paths improved			✓				
	Year on year monthly % change in footfall		✓		✓	✓	✓	
	# of potential entrepreneurs assisted to be enterprise ready		✓		✓	✓		
	# of enterprises receiving non-financial support		✓		✓	✓		

Mission	Government Outcomes	Indicators	MUCH	ACC	Guildhall	R2R	Riverfront
Kickstart Economic Growth	Growth in local businesses and job creation.	Vacancy rate of commercial units					
	Improved digital connectivity supporting business activity	Percentage of land area with 5G coverage					
	Improved transport connectivity supporting business activity	Average travel time in minutes to reach nearest large employment centre (5000+ employees): Public Transport		✓			
	As above	Public transport trips as a proportion of total trips per year Change in cycle flow					
	Increased housing supply and improved housing affordability	Vacancy rate of residential units					
	Boosted regional productivity, business investment, and footfall	Consumer spending	✓				
	As above	Year on Year monthly % change in footfall	✓		✓	✓	✓
Make Britain a Clean Energy Superpower	Improved air quality and public health in project areas	Change in air quality - NO2 concentrations or PM2.5 concentrations		✓			
	Increased availability of energy-efficient homes and public buildings	Number of residential/domestic units upgraded to EPC rating C or above	✓		✓		✓
	As above	or Number of non-residential/domestic units upgraded to EPC rating C or above	✓		✓		
	Increased uptake of sustainable transport modes (cycling, walking, public transport).			✓			
Take Back Our Streets	Increased perceptions of safety in regenerated areas	Increased perceptions of safety in regenerated areas					
	Improved community engagement and cohesion through better public spaces	Improved community engagement and cohesion through better public spaces					
	Reduction in crime rates and anti-social behaviour	Reduction in crime rates and anti-social behaviour					
	Mode shift towards cycling, walking, and public transport
